Foreword

The Antstream team are proud to update you on our recent achievements. Your unwavering support has been crucial to our success.

Our growth has been strong, marked by the launch of the first cloud gaming platform on Apple iOS. We're also preparing for our largest launch on PlayStation, expanding our retro games to a wider audience.

The positive press surrounding Antstream reflects our team's hard work and later this year, we will unveil an overhauled UI/UX to enhance user engagement.

Thank you for your collaboration and trust. Together, we're preserving, celebrating and sharing the timeless joy of retro and indie gaming.

The first iPhone game streaming service brings hundreds of licensed retro games

/ On June 27th, Antstream will launch in the App Store with over 1,300 retro titles from the Atari, Amiga, and Nintendo consoles.

By Andrew Lizewski, a senior reporter who's been covering and reviewing the latest gadgets and tech since 2011, but has loved all things electronic since he was a kid.
